

**TOWN OF MARION
NOTICE OF BRUSH AND WEED SPRAYING**

NOTICE IS HEREBY GIVEN that the Town of Marion will begin spraying brush and weeds along the roadsides within the township. **If there are any areas that landowners wish not to be sprayed along their property, please indicate by placing clearly visible signs at the start and stop points along the roadside.**

In all those areas where spraying is not allowed, the Town Board recommends the landowner take responsibility of keeping the brush cut back away from the roadways.
